D3 Romania

D3 is very encouraged by their new group of volunteers. This academic year they have 19 high school and university students involved in the volunteer program, 'Just as Precious.' Every month they organize 5 activities in a home for children with disabilities and in a shelter for kids with difficult family issues. It is a great blessing to see God working in the lives of these young people.

The weekend of February 23rd the volunteers will gather for a training weekend. Besides teambuilding, the volunteers will be challenged to think about whom they are and their purpose in life. Please pray for this

Daybreak Poland

Daybreak is a spiritual mentoring, counseling, and coaching ministry focusing on personal healthing, growth, and leadership development. All based on the authority of scripture and an intimate relationship with Christ.

Pictured above is Adam and Mira Otremba in their 'Touch Point' house, which was constructed recently. They use this place to host and minister to those who minister. It is a retreat house where they can spend time in solitude, in conversations with Adam and Mira, and a place to reconnect with God. It also serves for various small meetings.

Another area of ministry is 'Sela' retreats. This is a one week break from serving others, for the benefit of serving self. It forces you to focus on yourself and your messy life. This ministry is geared towards married couples involved in ministry.

The Beginning Conference YFC- Wroclaw, Poland

The Beginning was a conference held over New Years Eve for youth in Wroclaw and surrounding areas. Marcela, an YFC team member, organized the conference. Here are her reflections on the event.

“The Beginning” was a conference, which in our initial intentions was supposed to be organized for young people by young people. We wanted the younger generation, who live passionately for Christ to show their peers that it is possible and available to everybody to live a life in the power of the One who alone is wise, and has the power to transform our hearts, regardless of age or knowledge.

It was also an extraordinary thing to see over 200 young people start the new year with worship in their hearts and praise on their lips, dancing in joy and gratitude before God, their Father. I was so happy to see so many youth devote wholeheartedly so much of their time to the preparation and running of the conference. A group of volunteers worked hard from morning to night so that everything would go well. And all went very well. I am grateful to God for all he did through the conference. I am looking forward to the next edition of ‘The Beginning’.
